

How to Transform Your Sleepy Sack into a Play Pillow

1. Lay the Happy Nappers® Sleepy Sack face down on a flat surface.

2. Fold the unit upward to allow the base portion of the character to meet the upper. Secure the two button snaps on the lower/upper portion of the character.

3. Flip unit over.

4. Stuff the body into the base of the character.

5. Secure snaps under the front paws to the lower base of character.

6. Happy Nappers® Sleepy Sack is ready to be used as a pillow or store away!
